Manufacturer & Exporter of knitted Garments

Certified Factory

www.sneghamexports.com

Company Profile

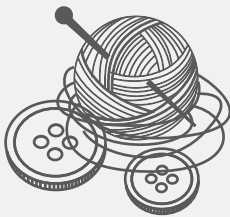

The company was Established in 2003 and is located in centre of the Tirupur city, where administrative office, sampling, merchandising, production, finishing and inspection are done under one roof. The company will fulfill all the requirements by quality, quantity and price.

We've done export orders to USA, Canada, Europe AND South America. The company strictly adopts the employee's welfare rules and regulations. Also the company has a well armed quality control team to check and control the quality of clothing in all stages in the factory. Providing world class service to the clients - update

We have constantly grown and upgraded our internal production facilities. We have also increased control over the complete process involved in the manufacture of knitted & woven garments.

The fact that we are dealing with our customers for a long term and doing so many repeated orders proves our performance.

We are looking for developing business relationship with long term perspective and hope to satisfy your sourcing requirements by not only supplying quality garments, also on time that meet international quality standards are concerned. Providing world class service.

"There must be no compromises in buyer's quality standards and their delivery schedules"
